# What is the SORM Social Centre?

The SORM Social Centre is a space welcome to everyone of all different backgrounds and abilities. The main thing we promote at Sorm is fun! to make sure everybody has the best time, we offer a wide range of activities some of which include drums, guitar, vocals, music production, keyboard, DJing, talent shows, sensory room, arts and crafts and many more!

The Social Centre began its journey in 2012 and has grown massively over the years, we have a three story building filled with fun activities, a talented staff team and of course the people who attend the service. Our goal is to provide a fun, accessible and learning environment to help promote their independence, social skills and of course music skills.

# What does the Social Centre offer?

The Social Centre is welcome to people ages 16 and above. We welcome people of all different backgrounds and learning disabilities, we are fully wheelchair accessible and have measures in place for the visually impaired and hearing impaired.

For a virtual tour around the building, please visit our website.

Here at the Social Centre we have plenty of spaces around the building such as:

We have two music production studios. These rooms are used by our music facilitators to deliver multiple music related sessions.

Both studios are fully equipped with top of the range music production software such as Logic Pro x & Ableton. We also have vocal booths in both studios for the people we support.

**Live room-** This room is equip with almost every instrument you could think off and a live recording set up.

**Computer spaces-** These areas are to encourage independent working and can be used for other forms of entertainment such as Youtube.

**Main social floor-** This room offers a wide range of fun activities such as arts and crafts, baking, pool table, talent shows, movie time and many more.

**DJ Room-** This room has top of the range DJ decks and a more older style desk to ensure we meet the needs of everybody that attends.

**Drum Room-** This room has full drum kit set ups including electronic kits to ensure that we can teach people no matter what level of knowledge they have.

**Sensory room-** This room is one of our newest developments in which was planned and created by a talented team of professionals and our people who attend sorm, this room is a underwater theme and truly is amazing.

**Workshop-** This room offers a more hands on approach and teaches people how to build instruments and fix items. If you like DIY this would be the room for you.

# The referral process

**Referral process:** Once we have received a email or a phone call, a member of our team will be in contact with you to set up a tour and send out a referral form, if the person likes what they see then we book in a hour taster session in. Once they are both complete, we can discuss start dates etc.

**Funding:** In order to attend our service, we must receive payment. This can be either funded through the council in which a social worker would be able to assist or direct payments.

To access the Social Centre you would need to get in contact with Jodie Saunders on [jodie.sormstudios@outlook.com](mailto:jodie.sormstudios@outlook.com) or 07596883336 to arrange the first part of the referral process which is a tour.

## How to get a social worker?

To get a social work you would need to contact the front door ctd team at your local council.

## What are direct payments?

Direct payments are set up by parents or carers who would then receive invoices from us with the days that the person has attended that month.
